Tree bank

Scrapes

Thick hedge

A map of the study area showing the site entrance, new meadows, and the east and west boundaries. The map is oriented with North at the top. A red line indicates the site entrance, starting from the top left and curving towards the center. A green line indicates the new meadows, starting from the center and extending towards the bottom right. A blue line indicates the east and west boundaries, running horizontally across the middle of the map.
